Actually this wonderful tune is released some years ago but it's still new to our visitors. Short lyrics See you distract me. But I'm distracted without you. I don't know how to focus, Baby, teach me how to. "Cause I'm standing still again But if you love me Just like the way that I love you I wouldn't mind A little comforting from you. Why do I let you in my head? And I gotta go sometimes. But you're always on my mind.
