Maybe even better than free.

This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You can give this download link to your friends by mail or instant messenger. There are no restrictions on the number of times a file can be downloaded. It is also allowed to link to the download page from websites and communities. The cost of that data transfer is covered by your internet service or the data plan on your phone. So try our free and simple filehosting servicenow. Simply upload your file and share the link. No account or credit card is required to get started. filehosting provides an easy possibility for you to sendlarge files to your friends. We have no file size limit. Unfortunately, we can't make that part free. Your wallet will be none-the-lighter! Just so we're all 100%clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Anyfile in any format can be uploaded and downloaded for free. Files can be downloaded from any computer from our high speed servers. You don't need anyspecial software installed to be able to download your files. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, manyteam chat apps have limits to the size of files that can be transferred within their apps. You decide who you want to share your files with. Keep your filesprivate, or send your download links only to friends or family. Using file, you can circumvent those limits without paying to upgrade your team chat service.When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You can upload any type of file (movies, music, documents,images, zip files and more). Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees.Just upload the file you want to share with your friends and we send you a download link to your file. File is free to use with no gotchas and no hidden fees. Ifonly we could, we surely would! On the other hand, using file can actually save you money. Alternatively you can choose to share your download links onblogs, forums and social networking sites. Our service is completely free for everyone.
