Maybe even better than free.

The cost of that data transfer is covered by your internet service or the data plan on your phone. No account or credit card is required to get started. You cangive this download link to your friends by mail or instant messenger. So try our free and simple filehosting service now. Your wallet will be none-the-lighter!Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers toyour friends device. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size offiles that can be transferred within their apps. Unfortunately, we can't make that part free. Files transferred the old-fashioned way tend to pile up and beforgotten about, eventually costing you money in data storage fees. Just upload the file you want to share with your friends and we send you a download link toyour file. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Alternatively you can choose to share your download linkson blogs, forums and social networking sites. You decide who you want to share your files with. filehosting provides an easy possibility for you to send largefiles to your friends. You don't need any special software installed to be able to download your files. Any file in any format can be uploaded and downloadedfor free. We have no file size limit. Files can be downloaded from any computer from our high speed servers. Keep your files private, or send your downloadlinks only to friends or family. It is also allowed to link to the download page from websites and communities. When you use file, you avoid storing the fileyou're sending in your cloud storage or mail server. There are no restrictions on the number of times a file can be downloaded. You can upload any type of file(movies, music, documents, images, zip files and more). Our service is completely free for everyone. File is free to use with no gotchas and no hidden fees.Using file, you can circumvent those limits without paying to upgrade your team chat service. Simply upload your file and share the link. If only we could, wesurely would! On the other hand, using file can actually save you money.
